

EYFS Teddy Bears Picnic 2022 - Parent/Carer Feedback

- After all the covid restrictions it was so exciting to come into the school and be involved with the Teddy Bears Picnic. We loved seeing our son with his peers and the lovely staff in his learning environment.
- My sons Dad really enjoyed the picnic. It was great to see my child in his school environment and enjoying himself. All the children seem to really love being at school and enjoy learning and playing together. My son's sibling loved it too 😊 We can't thank you all enough for how much you are doing for our son and how much he is progressing, learning and most important, happy.
- Really nice to see my child in his school environment, and to see how the teachers and TA's act with him. Good to meet other parents too. Also, lovely to see how much outside space the school has, its really great. Would love for these to be a regular thing.
- Had a lovely afternoon with the Teddy Bears Picnic. It was nice coming into school and seeing our child outside playing. Hope to have many more of these activities. Thank you.
- It was lovely to see the other members of staff who are involved with my child at school, also nice to see the children playing and having fun. I didn't really socialise with anyone other than a male member of staff, as I was watching my son pouring his juice from cup to cup, in between him sneaking off to steal the toppings off the cupcakes 😊 It was a very calm and relaxed environment. All of the children seemed happy. Thank you 😊
- My mother attended as both myself and my husband were working unfortunately. Mum commented on what a lovely event it was and how good it was to speak to staff and see her grandson at school. She commented on what a lovely picnic it was, and how much my son ate! Thanks to all staff for organising.
- It was lovely to be able to come and join in. A very warm welcome as usual and it was very kind of the school to provide drinks with the warm weather.
- My child was happy and content, so went well.

It was nice to see teachers and staff again. Parking, signing in, refreshments organised well. And although covid still present I felt that everyone was still aware of the space around them and respectful of other people's space. Looking forward to the Christmas performance!!

- We really enjoyed it. It was nice to see our child do Sports Day for the first time. It was very organised and everyone else enjoyed it, as you can see from the photos and the smiles on the children's faces on Sports Day.
- We were very happy with Sports day. We all did a really good job.

- It was lovely to be welcomed back into school and to share Sports Day with the children. Staff did an amazing job. Can't wait to hopefully attend more events next year. Thanks for a lovely morning.
- We really enjoyed the morning, and it was so nice to be back in school seeing all the familiar faces. If I had anything negative, it was just a little too long and my son had had enough after about an hour. But I appreciate most of the children managed well with the amount of time.

Specialist Classes Sports Event 2022 - Parent/Carer Feedback

- I attended the sports event with my child's Nanny & Grandad, and we all thought how lovely it was. The activities were fun, and I think my son enjoyed himself. The video at the beginning was a lovely opening to the event. The staff were all very friendly and welcoming.
- It was such a lovely chance to see my child engaged in all the physical activities, showing clearly which activities he preferred. It was wonderful to see him taking pride during the activities and showing us he can do this 😊 Loved the parachute game and how he was holding onto it! It was amazingly thought through and child focused. For the first time 'special award' ceremony done at the end was heart-warming. It was nice to hear and celebrate all of his peers' achievements – something so simple was so personal and beautiful. A big warm thank you to the class teacher and team for executing such a lovely event. The class teacher is a credit to the school. Her talent and passion comes across.
