

Dear parent/ carers

Thank you so much for the return of the forms asking you about the school. We asked you to highlight anything you particularly like about school and what you thought we could improve. We had 69 returned which means that we get a very good idea of what you think about our work with your children .It is very very important to us that we know what you think. **The feedback that you gave was so positive again** and it is humbling to read the comments you have made. We will ensure that they are shared with staff.

What could we do better?

There were five comments made and all were individual comments. It remains very important to us to address all of them and where there were names on the form we will work with each parent to address. One parent commented having Makaton signs on the website, we would love to but there we are unable to due to the copy write. If this parent or any others want more signs then please contact class teacher or Julie Goddard (Training Co-ordinator) and we can make arrangements

Actions

Based on the questions and comments we are going to:

- Ensure that homework is emphasised in the review meetings when home work is agreed on the outcomes sheet so all parents/ carers fully agree the homework approach for their child as it is personalised to all
- Put guidance out to staff to ensure that if a pupil is attending a lunchtime club then parents/ carers are informed
- Add to the secondary autumn term newsletter the accreditation programme for students
- Will be re-visiting digital forms of communication with parents/carers.

As Chair of Governors and Head Teacher, we would like to emphasize one central thing: The annual questionnaire is great but don't wait for that if you have anything at all that you ever want to raise no matter how small please do contact school

Kind regards and thanks to you all. On behalf of all of our staff and governors we very much appreciate our work together for our pupils/ your children
