Examples of Parent/Carer Comments

We really value and appreciate all of the wonderful comments from Parents/Carers this year. Here are some examples of those we received. Many thanks to all who shared their views.

- The staff are all fantastic and you can see that they love their jobs and the reward of seeing the children do new things. As parents of a very vulnerable child who can't tell us about his day knowing he is safe, well cared for and happy means the world. So thank you for all you do.
- We love the way that you not only take into account the needs of the student but also their wider family. We love that you celebrate the little things achieved and not just big milestones. Thank you for being wonderful.
- The home/school diary is great. The collaborative approach between school and parents is great. The visibility of all the staff on the car park each day is good to see and it's great that staff know all the children. As a parent the opportunity to attend courses at school is really useful. Thank you.
- The school has always worked with me to support my son. Always going above and beyond to support. He is progressing so well due to the support and provisions put in place and as a result of this his behaviours of concern are rarely seen. This is due to the dedicated staff and expert support from all. They always take my thoughts on board, and we work together to support my son. Thank you.

Any Suggestions:

- Keep doing what you are doing. You are all so caring, kind, and passionate about helping our children grow and learn. The Bridge is an amazing school with the best staff.
- My son enjoyed the after school clubs that he attended. It would be great if more were available in the future.
- After school clubs being offered to younger pupils (I am aware the covid era has probably affected this).
- More parent/carer contact at pick-up for those that collect their child. Although I appreciate how busy everyone is.
- Maybe it would be a good idea to put useful websites in the child's home to school diary e.g. for PECs and symbols
- Keep doing everything that you do.
- I've really missed the celebration book that came home in early years. My daughter has developed and participated in certain things we never thought she would, and it would be lovely to have snapped it.
- Keep doing what you guys are doing, you're a brilliant school.

- Keep up the good work.
