## Saturday Sport and Leisure – A New Season of Fun

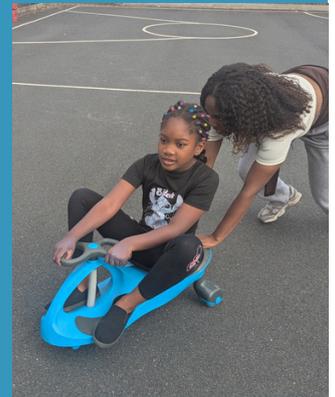

It's been another wonderful month at Saturday Club, full of energy, smiles, and plenty of moments that remind us why these sessions are so special. We've loved seeing the children enjoying their time with us. Laughing, playing, and showing so much creativity and imagination throughout the summer.

From outdoor games and water play to crafts and group activities, every session has been bursting with fun and connection. It's been amazing to watch friendships continue to grow and confidence shine through in so many ways.

As we move into a new season, we're excited to keep that same spirit going. Whether we're indoors getting creative or outside enjoying the autumn air. Whatever we're doing, Saturday Club will always be a space where children can explore, belong, and just be themselves.

The children have loved using our outdoor gym equipment. Keeping active, building confidence, and having lots of fun along the way!

Our new wobble bikes have been a big hit! It's been brilliant watching the children zoom around, share turns, and enjoy some speedy fun together.

There's nothing better than getting lost in a good story! It's been wonderful to see how engaged the children have been during reading time.

## Welcome, Zaynub!

Zaynub joins us from The Bridge School and has already settled in wonderfully.

She knows and supports many of the children who attend Saturday Club, which has made her transition into the team feel completely natural. Her familiarity, calm approach, and caring nature have helped the children feel comfortable and confident right from the start.

## Holiday Closure

Club will be closed on the following dates for the festive break:

**27th December 2025 and 3rd January 2026**

We'll be back on **Saturday, 10th January 2026**. We'd like to wish all our children, families, and staff a very Merry Christmas and a Happy New Year!

## Important Notice

We'd like to share an important update with our Saturday Club families.

From November, we will be making some changes to how our sessions are structured to bring them in line with the Targeted Short Breaks offer.

This means that our sessions will now have limited 1:1 and 2:1 support places and will instead focus more on group-based activities and support. When booking, parents and carers will be asked to indicate their child's level of need so that we can allocate support as fairly as possible.

We completely understand that this may be disappointing news for some families, and we want to reassure you that this decision has not been made lightly. Our priority remains providing a safe, inclusive, and enjoyable environment where all children can take part, build friendships, and have fun.

If you have any questions or would like to discuss how this might affect your child's place, please contact Short Breaks at **[shortbreaks@telford.gov.uk](mailto:shortbreaks@telford.gov.uk)**
